This private, fully fenced 51.4-acre estate offers an unmatched lifestyle, where every day feels like a retreat and the possibilities are as expansive as the land itself. Built in 2018, this custom 3-bedroom, 3.5-bath farmhouse seamlessly blends rustic charm with refined comfort, creating the ultimate sanctuary for those seeking space, serenity, and something truly special. The gourmet kitchen is a standout, equipped with a gas range with two ovens, quartz countertops, custom cabinetry and an expansive island ideal for cooking, gathering, and entertaining. The oversized walk-in pantry includes two additional built-in ovens and doubles as a laundry room, which opens into a mudroom that offers extra storage and everyday practicality. A separate office space provides a quiet place to work, create, or manage your homestead with ease.
